Senior Submissions Manager

I joined LMF a couple of years ago and can honestly say it was the best decision I ever made, I wanted to get involved in giving back and helping people in life and working for a company that is at the heart of helping to prevent fuel poverty is perfect.

As the Senior Submissions Manager I am involved in everything from HR & Marketing to complaint handling and organising the office Secret Santa!

LMF is an inspirational company led from the front by the very hands-on directors and I love being a part of a company that is continuing to grow, world domination is next!
