

# Jenny Bridge

## Accounts Assistant

My name's Jenny and I'm an AAT Level 2 Certified Bookkeeper, with over 15 years' experience in the industry.

I'm one of two Accounts Assistants in the Finance department and I'm one of the newer members of the LMF family.

I joined the company almost a year ago after making the difficult decision to leave my current job of 10 years, in pursuit of a more challenging role.

My main responsibility is the day to day running of the Purchase Ledger. I manage this end to end and do everything from processing high volume Purchase Invoices to assisting the Finance Manager in closing month ends. It's a fast-paced business and no two days are ever the same, which definitely keeps me on my toes!

I work part time around my two beautiful boys and I love working for a supportive organisation that appreciates that I have a family as well as a career.

I took a huge risk leaving my comfort zone and joining a new company, but I feel like I made the right decision.

I love working for LMF as they really are a family & so welcoming. As a new member to the Company I can honestly say I feel very involved and very much part of the team. Each Department works for each other & knows that if we work hard the results will be endless.

We certainly know how to work hard but we play harder. Thank you for letting me be a part of a fab organisation with lovely management.
