

Rhiana Graham

Sales Executive

I am one of the new Sales Executives here at LMF Energy Services. I joined the company at the end of September 2022, and since then been involved in the new ECO 4 scheme, which enables us to help those in fuel poverty benefit as much as they can from having a more sustainable and energy efficient home. I help with qualifying and booking our customers in for surveys and installations alongside any enquiries that they may have. We always ensure that our customers have a worry-free experience throughout.

Since starting here I have felt so welcomed by everybody in the team and the office as a whole.

I really look forward to my journey here at LMF!
