

Ruth Taylor

Office Manager

I've been lucky enough to have a job that I enjoy, and still do and I'm very much a people person and being an office manager means just that!

My role consists of handling HR issues, supporting the staff, managing the facilities, carrying out the pre-employment process for new starters and most importantly, their first day induction, helping each new starter feel supported on their first day with LMF and beyond.

No day is the same as an office manager, which is an advantage. I hope to make a big difference to ways of working and processes within LMF and help the company to grow.

Joining LMF was the best decision I ever made and long may it last.
